Special Announcement-

We have been contacted by a representative from the International Student Exchange. They are in urgent need of finding a host home for a beautiful young lady from China. The host of the home that she was originally going to be placed in had to withdraw for medical reasons. “Jessica” is 16 years old. She speaks and writes English very well, is an A student, and plays the violin and piano. If you are interested in hosting “Jessica,” or know of someone who may be, information is available on the bulletin board in the Parish Hall, or you can speak to Michelle.
